WE'VE BEEN PROPOSITIONED AGAIN!

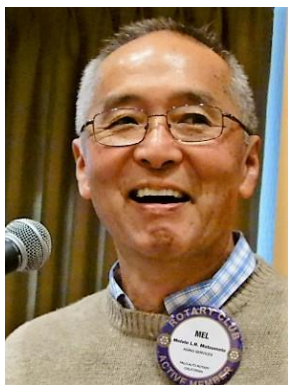

Thanks to political experts GLORIA HOM and LIZ KNISS, we were duly informed about the State

propositions on this year's ballot! (Their final words, "Don't forget to vote!")

TODAY'S MEETING

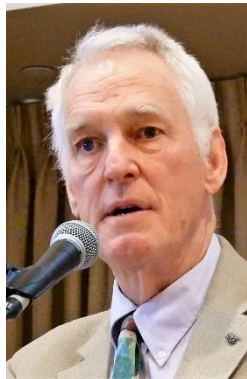

Due to Elks Club activities we met upstairs where DENNIS MCGINN led the pledge.

MEL MATSUMOTO shared Opening Remarks. His personal hero is Frank Wills. And just who is Frank Wills you might ask? He was the security guard who discovered the Watergate break-in. Wills died in 2000 and is remembered by MEL as a common person doing common good.

GUESTS included Barbara Gross/DICK BUSH... Andy Coe/PAST PREZ BETSY... Nadia Naik/PAST PREZ BRIAN STEEN... Jocelyn Lee, guest of STEVE PLAYER...and from the San Jose Rotary Club, Morris Chubb.

OUR NEWEST PRESIDENT'S CLUB MEMBER was DAN QUINN. DAN was celebrating his birthday and wedding all in one. Difficult to do, but not impossible!

THE ROTARY FOUNDATION... BETSY asked us to give our annual check or pledge in whatever amount to BETSY or MIKE McMAHON or donate on line. Looking for 100% participation!

TIM WATSON announced that we

will make an \$8,000 grant through World Community Service to Esperanza Juvenil, a school in Guatemala City we have visited & supported. School leaders, Beatrice Zamora and Lucas Pinzon were present to describe the progress being made with improved facilities and an increase in the number of students in their schools.
